③ Reduced cost of employee early resigning

Held on Thursday 23 December, the ground-breaking ceremony was presided over by the Director of Siem Reap Provincial Health Department Dr Kros Sarath and joined by other relevant officers.

The building has an area of 7,260 square meters, 4 floors, and a total of 220 beds, which will be used for specialised services, surgery, emergency services and other related services.

Dr Kros Sarath said that the hospital building is equipped with modern medical equipment to ensure high equality medical treatment to the locals of Siem Reap and the surrounding provinces.
